

Bleached Tape/Laminating Kraft

A strong, bright and calendered bleached kraft made using premium northern fibres and advanced manufacturing technology. The smooth surface is good for laminating or printing. Thai grade is especially suited for freezer paper and gumming applications. Canfor Pulp Limited Partnership paper is made under the ISO 9001 and 14001 management programs to ensure consistency in quality, service and protection to the environment.

TYPICAL PROPERTIES

Test Conditions: 50% RH, 23°C
Nominal Basis Weight (g/m²)

Brightness: 82% ISO
