

Unbleached Tape/Laminating Kraft

Made using premium northern fibres and advanced manufacturing technology. High strength and excellent caliper profile makes this the premium calendered sheet for frozen french fry packaging and other high strength calendered applications. Canfor Pulp Limited Partnership paper is made under the ISO 9001 and 14001 management programs to ensure consistency in quality, service and protection to the environment.

TYPICAL PROPERTIES

Test Conditions: 50% RH, 23°C
