

Polar Kraft® Gold

Canfor Pulp Limited Partnership's Polar® Gold Kraft is a high performance paper with balanced TEA, enabling the sheet to resist rupturing forces, regardless of direction. This paper has the excellent runnability characteristics of Canfor Pulp Limited Partnership's high performance paper. Canfor Pulp Limited Partnership paper is made under the ISO 9001 and 14001 management programs to ensure consistency in quality, service and protection to the environment.

Canfor Pulp Limited Partnership papers are manufactured in compliance with FDA 21 CFR 176.170 and 176.180, German recommendation XXXVI, CONEG heavy metals and EC directive 94/62/EC. Certificates of compliance to all applicable regulatory requirements will be supplied upon request.
