

Bleached Tape/Laminating Kraft

A strong, bright and calendered bleached Kraft made using premium northern fibres and advanced manufacturing technology. The smooth surface is good for laminating or printing. This grade is especially suited for freezer paper and gumming applications. Canfor Pulp Limited Partnership paper is made under the ISO 9001 and 14001 management programs to ensure consistency in quality, service and protection to the environment.

Canfor Pulp Limited Partnership papers are manufactured in compliance with FDA 21 CFR 176.170 and 176.180, German recommendation XXXVI, CONEG heavy metals and EC directive 94/62/EC. Certificates of compliance to all applicable regulatory requirements will be supplied upon request.

TYPICAL PROPERTIES

Test Conditions: 50% RH, 23°C

Brightness: 82% ISO
